Smartphone shooting – 65€ / up to 1.5h. (min. slot). Additional hour – 50€

Professional smartphone filming for Reels, TikTok, Youtube, Facebook (9:16 or 16:9)
Built-in device stabilization, external audio (one lav mic), natural light, basic shot direction.

Professional camera shooting – 150€ / up to 1.5h. (min. slot). Additional hour – 85€

When you need visuals at the level of a commercial: cinematic depth, clean detail,
professional optics — for brands and projects where a smartphone is no longer enough.

Additional lighting – 25€ / hour

Lighting setup (key light + back light + softbox up to 80w) for indoor shooting.
Cleaner image, less noise, professional look.

Basic editing – 45€ / 9:16 video up to 1 minute.

16:9 video (up to 30 min) – price discussed individually. Delivery time: 2–3 business days, after material approval.

Meaningful trimming and cutting, basic color correction, simple static subtitles,
background music selection, export for the platform.

Dynamic editing – 85€ / 9:16 video up to 1 minute.

16:9 video (up to 30 min) – price discussed individually. Delivery time: 4–5 business days, after material approval.

Everything from basic editing + story-driven inserts (b-roll / photo / AI visuals upon agreement), editing to the rhythm of the music,
animated subtitles, basic sound design, motion graphics / text accents up to 3–4 elements per video,
color correction via LUT.

PACKAGES
